

Glistening Water Pool Service LLC

85 Marhill Ct.

Westminster, MD 21158

443-974-6838

www.glisteningwaterpoolservice.com

It's the end of summer and time to think about raking leaves, going back to school, and closing your pool for the winter.

Our closing service consists of:

- Vacuuming the pool, if necessary
- Lowering the water level, as required by the type of cover
- Blowing the lines to help you avoid frozen pipes and costly repairs in the spring
- Adding antifreeze if needed
- Plugging the lines
- Cleaning D.E. or cartridge filters
- Covering the pool

The standard cost for closing is \$350 plus the cost of chemicals. A prepayment discount of \$25 is available if payment is received by September 1.

Call us, or fill out and mail this form to the address listed above, to schedule your pool closing.
Please schedule early to get your preferred closing date.
